INFORMATION DISCLOSURE STATEMENT

**Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450**

Dear Sir:

Pursuant to 37 C.F.R. Section 1.97 - 1.99, the Applicant wishes to make the following references of record in the above-identified application. This Information Disclosure Statement is in compliance with the continuing duty of candor as set forth in 37 C.F.R. Section 1.56. Pursuant to 37 C.F.R. §1.98(d), copies of references numbered 1-43 are not provided herewith, since they were previously provided in the parent cases, U.S. Patent Application Serial No. 10/041, 521, filed on October 19, 2001; U.S. Patent Application Serial No. 09/538,337, filed on March 29, 2000 now U.S. Patent No. 6,369,062 issued April 9, 2002 and U.S. Patent Application Serial No. 09/321,522 filed on May 27, 1999 now U.S. Patent No. 6,303,607 issued October 16, 2001. These references are also listed on the enclosed PTO Form 1449.

In the judgment of the undersigned, portions of the listed references may be material to the Examiner's consideration of the presently pending claims. This statement is not a representation that the listed references have effective dates early enough to be "prior art" within the meaning of 35 U.S.C. Section 102 or Section 103.

Applicants do not believe any fee is due with this submission. If this belief be in error and the Patent Office determines that the fee prescribed in the relevant portion of 37 C.F.R. Section 1.97 is applicable, the undersigned attorney by his signature hereby authorizes any such fee to be debited from Deposit Account 13-2490.
